EM RFID M08X   EM RFID M08Y   EM RFID M08Z

Model: M08X/M08Y/M08Z

Description: Mid-distance Series of Card Reader

Features:

▸ Read indication, LED display, buzzer, digital signals management

▸ Protections function for output, water proof and damp proof design, suitable for outside environment

▸ Glass discharge tube and semiconductor discharge circuit for output

▸ RS485 output adopting multilevel thunder protection, bearing 15KV static strike

▸ Excellent material for all products with strict examination, good consistency

▸ Protected circuit for power to avoid damage by man-made operating error

Card reader specification:

Model	M08X	M08Y	M08Z
Size	230 X 230 X 35(mm)	230 X 230 X 35(mm)	230 X 230 X 35(mm)
Color	Dark Grev	Dark Grev	Dark Grev
Voltage	DC 12V	DC 12V	DC 12V
Current	≤100mA	≤100mA	≤100mA
Temperature	-10℃ - 70℃	-10℃ - 70℃	-10℃ - 70℃
Reading Range	70-100CM	70-100CM	70-100CM
Output Format	Wiegand 26/34, RS485/232	Wiegand 26/34, RS485/232	Wiegand 26/34, RS485/232
Card Type	EM-ID Mid-distance Card	EM-ID Mid-distance Card	EM-ID Mid-distance Card
Communication	≥100M	≥100M	≥100M
